

# htc one<sup>v</sup>

## AMAZING CAMERA

- With HTC ImageSense™, HTC One improves every part of the camera including the lens, the sensor, the software, and integrates a new custom HTC ImageChip.
- **Superfast capture:** The camera has a superfast start-up time as well as superfast autofocus.
- **Good Photos in Adverse Conditions:** 5MP lens with f/2.0 aperture capturing 40% more light than f/2.4 lenses, market leading HDR, and smart flash.
- **Video Pic:** Capture high quality photos while shooting 720p HD video.
- **Dropbox Integrated:** 25 GB of free Dropbox space, to store more than 10,000 high-quality photos, for two years.

## AUTHENTIC SOUND

- **Beats By Dr. Dre™ Audio™** integration is enabled across the entire multimedia experience for music, video, and games.
- **HTC Sync Manager:** Once connected to a computer, it transfers songs, artist and playlists from your music library.
- **HTC Music Hub:** Organizes all your music services and applications in one easy location.
- **HTC Car Stereo Clip:** Accessory to bring mobile music to your car's sound system.

## PREMIUM DESIGN

- Iconic aluminum unibody construction utilizing the classic, award-winning design of the HTC Legend.
- Premium experience of HTC's amazing camera and authentic sound.
